Devon's friendliest Day Out
Pennywell

tJoin me, Morris the Mini-Monster, for a very special event for mini-monsters and grown up monsters too!

Dress as your favourite monster character or invent your own and enjoy a sponsored mini march through the farmyard. Followed by entertainment, mini-monster themed craft activities and some monster munchies too! You can then enjoy the sights, sounds and smells of the farm (you can stay all day!). Meet Tractor Ted as well as the famous Pennywell miniature piggies and lots of other friendly animals.

All are welcome, big and small, those in pushchairs or wheelchairs, join us for a monster day out! Remember: Monsters don't have to be scary!

This sponsored walk (both big and mini monsters can get sponsored) is raising funds for '**Children and Families in Grief**' a charitable organisation that provides practical, emotional and creative support for children and their families in South Devon following bereavement. It relies on donations to ensure it can continue to provide this vital support. Help us to raise the much needed funds to support children after losing someone significant.

Huge thanks to **Pennywell Farm** for hosting this event!

Visit our website to sign up now (it's free) or give us a call or email on the details below. Once you have signed up we will send you sponsorship forms and some ideas to get your mini-monsters kitted out and ready to march! Entry to the farm is free for the children however adults will pay a group rate entry. The funds raised by this event will help support Children and Families in Grief's vital work in the local area.

See you there
